FALL HARVEST 3-D ARCHERY SHOOT

OCTOBER 10th – 11th, 2009

Follow the map below from the East, West or North: Travel I-10 to Benson (exit at 281), Highway 90 South. Proceed south approximately 26 miles to Sierra Vista. Turn right onto Fort Huachuca. You will need a picture ID, driver's license, vehicle registration, and proof of insurance to access post.

Directions To Huachuca Mountain Archers & Bowhunters Club

Follow Squire for approximately 2 miles from the main gate, until it meets up with Winrow Avenue. At that intersection the left lane goes straight and drops down the hill. Archers stay in the left lane and drop down the hill, but YIELD to traffic from the right! Follow the road down the hill and around the curve to the right about 1/3 mile until you see the HUGE oak tree on the left. Turn left at the oak tree and continue up the rutted road to the parking lot for the archery range.
